BEN ROSEN

PRODUCER/ MIXER/ REMIXER/ WRITER/ PROGRAMMER/ ENGINEER/ MULTI-INSTRUMENTALIST

A cross between Nellee Hooper, Butch Vig and Trent Reznor, Ben “Captain Hook” Rosen is a triple threat – infectious hooks, brilliant arrangements and some of the sexiest sonics we’ve ever heard. With a punk background, from the dance floor to death metal, he knows what a hook is and how to weild it with vigor.
